heifers handled very well without any problems.

Handled With: Bikes , Vehicles

Assessor Comments: 83 Landfall blood Angus heifers, heifers were purchased out of Tasmania earlier this year and have done very well. Heifers

	are one mark and would make very good future breeders. The vendor is only selling these cattle due to the loss of an agistment paddock. please note 3 heifers with old pink eye scarring and 3 heifers that are another mark purchased out of Victoria around the same time.
