Assessor Comments: Backgrounders & bullock growers look on here! This is opportunity to secure a very good line of VGQ HGP free vendor bred steers. Backed by their previous years drop taking out the Northern beef producers feedlot competition in 2023 these cattle have been bred to perform. The cattle have the frame and are ready to punch ahead. These cattle are in a desirable weight window with a range of only 64kgs for ease of marketability down the track. They display excellent thickness, length and muscling ability and without a doubt will continue to grow out into high yielding steers with an outstanding carcass. These steers were a pleasure to assess, there are 2 other lots in this sale - a credit to the vendors and their commitment to presenting their cattle. These steers have been sold numerous times on Auctions Plus and have always satisfied buyers expectations. 30% show 0-15% TBC 69% show 15-30% TBC 1% Show 30-50% TBC
