Temperament	Yards	Crush	Paddock
	Quiet: 6 head Slightly Stirry: 8 head	Quiet: 3 head Slightly Stirry: 7 head Stirry: 4 head	Temperament not assessed in Paddock

Heifers did stir in the crush whilst being assessed and when being drafted with a few heifers being aggressive but did settle well once released back into the mob and were very placid while photos were being taken.

Handled With: Bikes , Dogs

Assessor Comments: A nice line of NSM predominantly Red Brahman and Red Brahman x heifers presenting in good forward store condition. These heifers will make ideal future breeders for any graziers chasing cattle with a high Bos Indicus content. Heifers would also suit a feedlot operation and show plenty of growth for age as well as softness and length of body. To the best of the vendors knowledge the heifers are not pregnant as there is no bull on the property. **Please Note** 1 heifer had warts on belly. Vendor has another lot in the sale.
