Assessor Comments	Buyers a great opportunity to secure a line of Heifers at this calibre. These Heifers would be an asset to any breeding operation looking to rebuild with top quality Heifers. These Heifers show great weight for age, length of body and feminine traits and would make great breeders. Heifers are out of a very well known Angus Cow herd in the Goondiwindi surrounding districts. Heifers are out of a very good Cow herd and being based on Hazledean Angus blood for 10+ years. Heifers are ideal to join to a Bull of your choice and have their whole lives in front of them. Buyers these are an exceptional line of Heifers bid with confidence.
