Assessor Comments	VGQ Angus Feeder heifers that were purchased from southern markets approx 6 months ago when excellent rain in the north gave a market and seasonal opportunity. These heifers are best described as forward store condition ready for a feedlot or bull, shedding winter coat and looking shiny and going forward. Majority of Heifers show true to type Angus breed with a handful showing a slight cross. These heifers would leap ahead on quality feed. There are 2 x other lots from same vendor in sale.
