**Assessor Comments** 74x74 Very good quality station mated EU Cows and Calves. These cows present in forward store condition and are doing very good job on their calves. These cows are renowned good doing cattle and are only being sold due to a property being sold. All calves are by Bald Blair Angus bulls and cows rejoined to to same. Bulls are selected on high growth high marble and high indexing. A regretful sale of some very well bred cows that have produced a calf year on year.
