Cows and calves were cut out in the paddock with motorbikes. Cattle are very good to handle in paddock and in yards.

| Assessor Comments | 48 X 48 Cows and calves. Cows where poor when purchased with calf at foot, with many being back in calf as well. Showing high fertility traits. Medium to large frame with the opportunity to gain plenty of weight . Unmarked calves are doing well. Mouthing results suggest a few more years ahead of majority, or plenty of scope for a quick turnover as well.Please note delivery ;; monday preferred. |
