Assessor Comments

On offer are 16 x 15 Speckle Park cross cows and calves. These cows have an average liveweight of 661 kg at assessment, and the calves have an average liveweight of 115 kg at assessment. These cows are doing a fantastic job on their calves, which are very fresh in condition. The cows have not been running with any bulls, giving you the opportunity to re-join them to the bull of your choice. The calves have been sired by Angus and Speckle Park bulls. This is your opportunity to secure proven breeders.
