Very good cattle to handle from paddock to drafting and weighing

Handled With: Bikes , Dogs , On foot , Vehicles

Assessor Comments: Vendor bred heifers that are a credit to the vendor. Heifers show good fleshing and bone and would suit the restocker looking for high quality replacements. These heifers are grass fed and antibiotic free and would also go on to suit the heavy grass fed markets or feedlot. They have been pre treated with Bovilus and present in very good order.
