Assessor Comments	Buyers, a great opportunity to secure a VGQ Vendor Bred Bdouble line of soft crossbred steers. Bred out of large framed Santa,Simmental ,Charolais cross cows sired by high priced Santa and Simmental stud sires. Steers show good bone ,length and depth and have the breeding to perform on grain or grass as they have achieved very good weight gains in the last few months. Bunk trained as they have been assisted in the paddock with cottonseed and Barley mix since feed hayed off .Ideally suited to the Domestic or heavy feeder market or alternatively would suit to take through to lucrative grass fed bullock market. Please note one steer has slight blight scarring in one eye not considered detrimental, the two steers with horn are inside ears.
