Steers handle well but can be a bit flighty at times. With more handle they will settle with time.

Assessor Comments	A nice even line of 19 Limo Weaner Steers. These steers are Garren Park and Newday Limo Bloodlines and are showing a great deal of shape, length and type to them. Steers are only 10-11 mths with very good weight for age and will continue to do on both grass or grain. Steers are only needing the finishing touches for a very neat trade body or have been grown into heavy export bullocks when given the time. Vendor has a lot of heifers in the same sale.
