Assessor Comments	Buyers a good line of Angus Steers which are in healthy store condition and are starting to clean up in the coat. These Steers show good frame, depth and length of body. Steers should power on given the opportunity on good nutritional feed and are an ideal article to take through to heavier weights to suit Domestic markets. Please note 1 Steer was noticed at assessment with old scarring on the eye although is not considered detrimental. Vendor has Heifer portion also available in same sale.
