Assessor Comments	A very good quality run of Angus steers out of the renowned Sherwood herd to be sold as a light BDOuble. Steers were weaned at assessment and will remain in weaning yards on hay until delivery. Sherwood cattle are known for their do-ability and perform very well in feedlots. These steers will reach feeder weights quickly and domestic/export weights if given the chance. This is the complete drop of Angus steers with a 10% tail removed at assessment. Hazeldean & Te Mania bulls out of Hazeldean/Boco blood cows. Please note: Vendor also has lot of 42 Black Baldy steers in todays sale.
