Assessor Comments	Buyers a good line of Angus Heifers which are in healthy store condition and are starting to clean up in the coat. These Heifers show good confirmation and feminine traits as well as good frame, depth and length of body. Heifers are an ideal article to either take through to feedlot weights or will suit any breeding program creating an opportunity to join to a bull of your choice. Please note 1 Heifer was noticed at assessment with old scarring on the eye although is not considered detrimental. Vendor has Steer portion also available in same sale.
