Assessor Comments	A nice line of 29 very well bred Angus Heifers 13-15mths old. Heifers are showing all the hallmarks to be fantastic future breeders given the chance. These heifers are very quiet and are an absolute pleasure to handle, presenting in a very neat forward condition primed for a big spring. Millah Murrah Angus bloodlines with a a nice length of body, depth and would slot straight into a breeding program or alternatively would be a quick finish in the spring on a crop!
