Assessor Comments	Buyers on offer is exceptional line of vendor-bred Angus and Angus-Cross Heifers presenting in store to forward-store condition. These heifers have had no access to bulls. They are notable performers and will perform very well on good feed, making them ideally suited to any backgrounding operation or feeding program. This even line, predominantly Angus heifers, are out of Angus cows by stud quality Burenda Angus bulls with a small percentage showing slight cross. Please note 1 of heifers have white on udder, please see photos and videos for breed satisfaction. Also, note this vendor has one other lot in this sale.
