| Assessor Comments | An opportunity presents itself to purchase a quality line of vendor bred weaner steers. These cattle are very well bred and are sired by a quality Te-Mania Angus bull. The steers have been yard weaned are ready to be turned out, they will be returned to an Oat/Rye grass crop which gives the purchaser a good opportunity to tuck them away on a crop and keep them powering along. Please note same vendor has 23 heifers in same sale. |
