	Stirry: 2 head	Stirry: 22 head
Handled With	Bikes , Dogs , Horses	

Assessor Comments	A quality line of predominantly Angus x steers that present in good forward store condition. These steers have been running on lightly timbered undulating hill country & have been weaned early due to unfavourable weather conditions. These cattle are renowned for their doing ability and are ideally suited to fatten as bullocks or alternatively grow out to heavy feeder weights. These steers will offer potential buyers good compensatory weight gains if grazed on pasture or crop.
Assessor	**Maugan Benn (Level 1 Accredited)**

Delivery Period	28/02/2026 to 04/03/2026 (5 days)
