Assessor Comments	A very good line of Angus Steers. Well grown and show very good bone and muscling. Steers weaned in yards until delivery, will be fed good quality hay. I have deducted 6% weight loss but buyers make their own judgement. Excellent temperament. 4 Cows did show Hereford influence way back but not evident in steer apart from some white underneath. Steers are by Millah Murrah and Injeminral Angus Bulls. Steers suitable to take on to heavy feeder market or heavy kill cattle.
