Assessor Comments	A neat line of 25 well bred weaner steers that display good frame and bone at a young age. Vendor would normally carry these cattle through to heavy feeder markets but due to seasonal conditions have been weaned early. Steers that will perform on good quality feed and would be ideal to carry through to heavy feeder or bullock markets. Please note vendor has a lot of 20 heifers in the same sale which would make a neat deck load of weaners
