Assessor Comments
Quality well bred Angus X Angus Cows faithfully de pastured to quality Wagyu bulls to suit the F1 market. These cows will suit the most astute F1 breeding programs around the country. Breeders of the future carrying a highly sought after calf! Cows are on the up on crop having re entry weaned calves, still room to pick up condition prior to calving. A sample of 49 calves born last year from this breeding program DNA Genomic tested "Feeder Check" all returned an index of 40 plus plenty much higher but none lower. Buy with confidence these cows are young and productive matrons.
