Notable Traits

	Traits
1 Head	Loped ear on one cow

Assessor Comments Good quality line of Angus & Angus x PTIC cows. These large matrons are from the well known Glynn herd. Proven breeders that have being doing a great for the Glynn family. A regretful sale only selling due to making room for younger stock. Cows due to calve late Aug-Oct to an Ireland Angus bull. Please note there is one grey coated cow. Great temperament cows that would suit any operation.
