Assessor Comments	Offering a small line of vendor bred, full Sparta blood steer calves. Calves have endured a hot, dry summer but will grow & fatten given the chance. 100% free of American blood, Sparta cattle are known for their doability, broad muzzles and good bone. Usually retained & sold in the Monaro weaner sales to repeat purchasers but due to extreme drying conditions these fellas are offered for sale early. Please note can help with cartage to Wagga areas with weekly market trucks. Please note older steers of same vendors in this sale.
