Assessor Comments: An excellent line of tops of the drop angus steers, bred by Russell & Jess Trethowan from a herd reputed for breeding big boned easy doing cattle. These steers were great to handle and display length, softness and weight for age. These steers sired by high performance Rennylea Angus bulls out of big rennylea & dunoon blood cows. This is the 3nd time these steers have been offered on auctionsplus. Please note the thorough and extensive animal health treatments which have ensured they have never had a bad day. Grass fed only & Nil antibiotics. 20% tail drafted off at assessment. Vendor also offering another line of 48 Black Baldy steers in the same sale, giving buyers the opportunity to put 103 steers together. Assessors highest recommendation.
