Assessor Comments	** EU ACCREDITED ** A magnificent line of 3.5YO breeders with many years ahead of them. The vendor purchased these heifers with full intentions of retaining as lifetime breeders but due to tough seasonal conditions they are being sold. Purchased from the Naracoorte feature weaner sale in December 2021, ex the Gosse family 'Bullara' Penola, these heifers have all the breeding in the world. They present in store condition ready to calve down their Black Simmental calves, sired by Magpie Park bull. Drenched at assessment. Show them some feed and these cattle would help improve most Angus herds. RESERVE $1500.
