Assessor Comments Nice line of big framed middle aged PTIC cows. Cows have been well educated and are excellent to do anything with temperament wise. Bloodlines of 5-star Senepol cows are vet tested in calf to low-birth-weight Registered Senepol bull. The Vendor would be happy to discuss any breeding if buyers are wanting more bloodlines information. Cows are sound in

	the udders and are visually showing signs of being in calf. Perfect to suit small acreage.
