	Steers very well mannered in yards, with only one steer becoming a little stirred up in force pen, once returned calmed down instantly.

Assessor Comments	Quality young steers, with over 2 decades of pure Alpine Angus Blood each one will make a bullock. When purchasing bulls MG Neilson looks for high ranking 400 & 600 day weights, IMF & docility. Most cows weight are in excess of 700 kilograms. Plenty of length & depth in these steers that wont disappoint. **Steers that come with my highest recommendation**
