Assessor Comments	Attractive line of Shrubland blood Angus Heifers PTIC to LBW Jade Park Angus Bulls. Heifers are in good calving condition and would be a very suitable line of heifers to increase numbers for a spring calving operation. They were purchased out of Yea Store sale in May last year as vendor bred weaners and have grown into lovely deep bodied heifers. Expected to commence calving late September. Please note 2 heifers have white near udder and 2 with slightly cloudy eyes. Vendor has total of 68 PTIC heifers over 3 lots in this sale
