Assessor Comments	A quality line of 87 EU accredited Angus steers, Narranmore and Coffin Creek blood. Proven Performing steers that are keenly sought by feedlotters and finishers and are only being sold due to failing seasonal conditions. In their working clothes, will be ideal steers to put on crop when the opportunity to do so comes up. Odd ringworm scaring or small wart, not detrimental. Please Note Vendor also has another 2 lots of EU Steers in sale.
