Notable Traits

	Traits
2 Head	Pinkeye active at time of assessment

Assessor Comments	Very quite, well bred, soft British breed Steers that are EU accredited. Ideal for growing out to feed lotting weights . Highly recommend as Vendors only purchase top Bulls and Management of their Herd is first class. The steers are quite and moved easily through the draft and scales. Top quality steers to take home and grow out. Quality EU steers you can buy with confidence. Vendor has 1 lots of British Bred Heifers in this same sale, There was pinkeye starting in 2 steers at assessment and will be treated today and re assessed prior to delivery.
