Handled With	Bikes , On foot , Vehicles
Assessor Comments	A good opportunity to purchase well bred cows and calves. 100% calves at foot and ready to rejoin to a bull of your choice. These cows are proven breeders that are only being offered for sale due to a below average season and limited paddock feed. Calves at foot are by high quality Speckle Park sires that the vendor uses in their stud operation. Please note some cows are starting to rub and would benefit from a lice treatment.
