Calves are extremely quiet and classed as docile. Have been individually reared and fed daily so have had plenty of handling.

Handled With	Bikes , On foot
Assessor Comments	On offer s a quality line of AI bred Angus/Fries x steers that are very quiet. These steers are by quality AI sires Treasure, Alternative, Output and are out of big 700-800kg Friesian Cows. They have been very well reared and properly weaned onto a complete sileage ration. Mostly Aug/Sept drop but do vary a bit in size with av weight of 178kg. They have had all their health treatments and have management tags with DOB, Sire and Number. Credit to the vendors they are all good in the eyes. Lovely quiet well bred steers that have the potential to grow out into big export steers. Please note is 29 sisters in same sale to total 63, that would fit on a 48ft single deck. Please note delivery only certain times able to accommodate loading out, which can organise local carrier if preferred.
