These Heifers are a credit to the vendor's stock handling. They have had the foundation of a good education and are an absolute pleasure to handle through the yards and in the crush.

Handled With: Aerial (Helicopters, gyro's and planes) , Bikes , Horses , On foot

Notable Traits

	Traits
1 Head	Pink eye scarring.

Assessor Comments: Buyers a very good line of weaned Angus and Ultrablack cross heifers. These heifers show the length in body, thickness of bone and depth of muscling that can be attributed to careful bull selection. As previously mentioned the vendors have done an outstanding job at presenting a very quiet and even line of heifers that will go onto perform on grass and grain throughout their lives. Buy with confidence. Please note vendor has one other lot of cattle in the same sale.
