Assessor Comments: Attractive line of well bred young Hazeldean & Alpine Angus blood four year old cows doing a super job on their 2-4 month old calves averaging 169kg at assessment. Cows were purchased off noted local breeder Brindstock with sires sourced at the lead end of the Hazeldean and Alpine Angus catalogues. Cows are medium to large framed and have oodles of milk underneath them, hence doing an excellent job on their Wagyu x calves. Very even drop of calves (born over 6 weeks) with calves sired by the two top priced sires out of the 2022 Bonnie Doon Wagyu Seedstock Sale at $16k each with previous progeny achieving excellent weight gain for age for the vendor. Cows have been rejoined 28/10 - 18/12 (6 weeks) to both these previous successfully utilised top priced Wagyu sires. Note calves are marked and sex comprises 30 Steers and 18 Heifers with the one extra calf being an orphan but is pinching a drink successfully within the herd. Cows handled with ease throughout the assessment process.
