Assessor Comments Buyers a very good line of 90 Angus and Angus cross Steers that present in good store condition. They stand on good bone along with good confirmation & have all the right attributes to make these steers reach their full potential. These steers are very tidy around the head with the majority being polled. This is a strong selection criteria when vendors are selecting their bulls. At assessment approximately four steers have been late marked Four steers noticed to have slight scaring in one eye, however there doesn't seem to be a problem with vision. Steers have been on oats since the 2/6/24 and are starting to do well, they have dags around tail from the oats. A good line of Angus and Angus cross steers that will not disappoint any buyer.
