Assessor Comments	A good opportunity to purchase good framed cows that will go ahead given the right conditions, calves are sired by Romagnola bull, 1 steer calf and 4 male calves. Cows have been running on natural grass pastures that are browned off due to the dry conditions so with quality feed these cow/calf units will bloom. Cows and calves were good to handle in yards and crush.These cow/calf units only on the market to make way for replacement heifers.
