Assessor Comments	Well-bred line of Ardrossan blood PTIC Angus heifers due to calve late July - mid September. Joined to a very good low birth weight bull (BW EBV +1.7 - THE ROCK PHOENIX T81 link attached), last year the vendor did not pull any calves sired by him. Only for sale due to the deteriorating season providing plenty of options and plenty of upside for prospective purchasers. Please note; one Black Baldy in the line can be removed at buyer's request.
