Assessor Comments Buyers British bred light weight steers that will suit the trade or heavy feeder market, could also be grown out to yearling grass bullocks. These steers are from the traprock area & present in store condition, typical for this time of the year. They are all frame & will have compensatory weight gain on good feed. Please note that 1 steer is still showing some characteristics of being marked late see photos & video. Vendor has another 30 older steers same sale.
