Assessor Comments	A good, sound beef cow with the ability to produce an excellent vealer. She is a proven breeder that would otherwise have been retained and is only offered for sale due to dry seasonal conditions. Her Euro cross breeding makes her an outstanding breeder with a strong milk supply, consistently raising quality calves with great shape & bone. She still has plenty of productive breeding years ahead of her. A genuine, dependable breeder that will continue to add value to any herd. Depastured back to a traditional Simmental bull, offering added value and the potential for another quality calf.
