Handled With	Bikes , Dogs , On foot , Vehicles
Assessor Comments	A nice small line of Angus x Angus station mated Cows, with fresh sappy calves at foot. These cows present in light store condition, though are strong and healthy and have been running on short native pastures due to a solid dry Summer. These units are extremely docile to handle and would suit someone looking to add good genetics to their herd, or take on for an easy trade. One cow is straight from the Alloura stud, with 4 cows being vendor bred by the Alloura Bull, cows are joined to LBW Alloura S41 Shotgun Bull.
