Assessor Comments	A small line of 8 quality young Santa Gertrudis/ Droughtmaster heifers which present in forward store condition. These heifers are out of medium framed, easy doing, good milking cows and by a Munnabah Santa Gertrudis bull. These heifers would be a good article to take on as future breeders with feminine heads, sound feet and legs, and are quite natured. With the warmer weather and some green pick around they are starting to hit their straps, and ready to join to the bull of your choice. The steer portion of the drop were able to be turned off as weaners, being soft and easy fleshing.
