	Traits	
	1 Head	Birthmark on neck

Assessor Comments	Malebo Angus stud has made the decision to moved from an all year round mainly sexed Ai program while building their female herd to a once a year Ai program which has given the opportunity to purchase elite genetics for your commercial or stud herd. This is a genuine herd reduction sale based on who is in a certain date and who is outside and there is some beautiful top end females up for offer over the coming weeks on AuctionsPlus. You will have the choice to maintain their Angus Australia registration or have them as top end herd building commercial females. Any females that are to be transferred and stay registered will have a $500/head fee added on top of the sale price.
