	Cattle were yard weaned for 7 days, steers were well behaved.		
Handled With	Bikes , On foot		
Assessor Comments	A nice line of vendor bred calves that have been yard weaned for 7 days and returned to paddock. Well bred calves that are sired by a Hierarchy H152 son out of large frame angus cows.These calves will suit any desired program and have been well known for doing ability and high IMF in feedlots and bullock programs. Please note 4/5 steers have white on pizzle or under them
