These steers were very good to handle in a very good set of steel yards, steers worked well through yards, race and crush. One steer noted slightly stirry moved off quickly in the yards and crush when pressure was applied.

Handled With	Bikes , Horses , On foot
Assessor Comments	Buyers here is an opportunity to purchase a very good quality line of vendor bred steers. These steers have been weaned and handled and have had all the hard work done to them. Steers stand on good bone and confirmation and would suit backgrounders looking to grow out to heavier weights on crop or pastures.
