Assessor Comments: Excellent opportunity to buy an outstanding run of 220 Team Te Mania Angus steers, to be sold in two B-Double lines. These steers have never before been offered at these weights and are only being sold due to the tough season, normally sold at heavy feeder weights in late spring. This line of steers represent the middle draft, all weighing 300kg+ to average 320kg full (300-359kg). Coomete have a long history of selecting bulls focused on breeding steers for the long fed market - with particular emphasis on growth, EMA, $/indexes and IMF. They are a herd with a very good marbling reputation and come with our highest recommendation. Please note; vendor also offering heavier line of 105 steers in this sale.
