| Assessor Comments | Buyers an great line of weaned Angus & Angus X heifers, these heifers have been weaned on day of assessment and will stay in the weaning yards until delivery. These heifers are all off first calvers, the Black Hill Cattle are traditionally grass finished for high end Antiboitic free markets. They are sired by high quality Hazeldean & Highrent Angus bulls. These heifers are suitable replacements and are bred to perform both in the paddock and in the feed yard. After a dry season these heifers will bound away if shown feed. Please note the steer brothers are in the same sale. |
