	Steers where good to handle, only the odd one stirred up in the crush when mouthed, and settled quickly once back in mob. Good steers to work through yards with out any dramas all round. I did see the steers come in to the yards without issue. These steers won't let you down.		
Handled With	Bikes		

Assessor Comments	Buyers a handy line of good quality, young Brahman and Brahman cross steers. These steers were good to handle HGP Free, and would be ideal to feed on or grow out to Bullocks. These steers have done very well on the downs and are ready to hit their pins and punch the weight on .
