Handled With	Bikes , On foot , Vehicles
Assessor Comments	Excellent quality young heifers, that are surplus to needs otherwise would be retained and joined. They come with the highest recommendation, they are very quiet heifers that are a pleasure to handle and would suit any level of stock person. These heifers are sired by high index Banquet bulls with a focus on calving ease, growth and docility. They would be great heifers to take home and join for an autumn calf next year or would also make great feeders with the frame and shape they have.
