Heifers were very good to handle

Handled With	Bikes , Dogs , Horses , On foot , Vehicles
Assessor Comments	Buyers a good line of EU accredited weaned angus heifers with all the hard work done. Heifers were kept with the intention of either joining or taking on to feeder weights, However continued wet weather has forced them onto the market. approximately 30 heifers noted to have ringworms. odd heifer noted with minor blue eye scarring. Same vendor has a sister lot in same sale. odd heifer noted with some white around the udder.
