Assessor Comments: Buyers a good line of Angus and Angus cross Steers which have been carried through to feeder weights. Steers have been running on native grasses with access to a grain ration, being put in a pen 2 weeks ago to access grain and straw only.These Steers are an ideal article to suit domestic or export markets. Steers show good length, bone and softness with breeding shown throughout. 3 Steers noticed at assessment with old scarring being noted as not detrimental. See photos for further satisfaction.
